

Chinese Reds Push To Gates Of Nanking

Nationalist Army Clogs Road To South

By Seymour Topping
Nanking, Saturday, April 23—(AP)—This tottering capital of Nationalist China was abandoned by its officials and its garrison today as Communists smashed across the river and reached its gates.

Red troops, apparently cracking the Nationalist defenses on a wide front, seized broad areas on both sides of the capital.

Best reports here said the latest crossing came from Pukow, across the Yangtze from Nanking. Red veterans were said to have landed near Nanking's railway station, just outside the city's walls.

Looting Of Nanking Begins
Looting began in Nanking, from which all high government officials presumably had fled along with the garrison. The city was a no-man's-land, with both soldiers and police withdrawn.

Mobs broke into shops and carried all manner of merchandise to their homes and the countryside.

Dirty and disorganized troops, believed withdrawn from Pukow, streamed through the city.

Among those fleeing the capital were a number of foreigners. They went on the same planes which carried off high government officials including premier Ho Ying-Chin.

An estimated 100,000 nationalist troops reportedly clogged the roads in disorderly retreat from Nanking. They fled south along four main highways.

Will Fight To The End
In the hour of nationalist China's extremity, "retired" president Chiang Kai-Shek joined in Hangchow yesterday with acting President Li Tsung-Jen in declaring that they were resolved to "fight to the end."

Hangchow, the meeting place for nationalist leaders, is 150 miles southeast of Nanking. Li's home in Nanking was among those looted by Chinese mobs. He was said to have left Nanking early today for an unknown destination, but this could not be confirmed.

The flight of government soldiers led to belief that their commanders temporarily had lost control. Military quarters said the 26th army, which was ordered to move into Nanking last night to defend the capital, never arrived.

Gates Open, Unguarded
The city gates are open and unguarded. Desertion of nationalist troops was reported at many points. Two defecting troops simply sat down and waited for the Communists.

Volunteer militia seemed to be bringing the looting slowly under control.

Looters were helping themselves, starting with the mayor's house and the homes of government and city officials.

Soldiers were stopping cars on the street trying to commandeer them. Generalissimo Chiang Kai-Shek has resolved, with acting President Li Tsung-Jen, to fight "to the end."

The Communists were expected to enter the city gates at any time but up to now (9:50 a.m.—7 p.m. central standard time on Friday) none has appeared.

Premier Ho Ying-Chin, who also is the national defense minister, and the whole defense ministry left by air about 7:30 a.m., presumably for Shanghai en route to Canton where the official capital was set up some time ago.

The whereabouts of acting President Li was not known here, but it was believed he had left the capital. All nationalist troops have withdrawn from Nanking or have gone into civilian clothing.

It seems now as if no effort whatsoever will be made to hold Nanking.

Hospital Cancels Bills Of Survivors Of Effingham Fire

Effingham, Ill., April 22—(AP)—St. Anthony hospital today cancelled the bills of patients who survived the fire in which 75 persons perished April 5.

The hospital wrote the survivors that all records were destroyed in the fire, and that it would not attempt to collect the bills.

A fund to build a new \$2,400,000 hospital now has topped \$255,000 with \$300,000 more needed from the Effingham community. The city hopes to get the rest from the state and federal governments.

A meeting to arrange for emergency hospital care was held today, attended by representatives of the Catholic order of St. Francis, which operated the hospital, the city, the State Health department, and local doctors.

The nuns convent adjoining the burner hospital will be used for emergency surgical cases. It will accommodate about 15 beds.

President Of Chicago U. Denies Red Charges

Springfield, Ill., April 22—(AP)—A University of Chicago dean declared today he is not a communist, and the president of Roosevelt college in Chicago said he knows of nothing subversive at his college.

They testified at the second day of hearings by the Illinois sedition activities investigation commission. It is searching for any subversive activities or "communist indoctrination" at the two institutions.

A commission agent said Albert Einstein and Thomas Mann, member of Roosevelt college's advisory board, have been linked with "communist organizations."

Dr. Edward J. Sparling, Roosevelt's president, replied: "We are proud to have them on our board. I don't believe in the doctrine of guilt by association and far be it from me to interpret what goes on in their great minds."

Einstein is a famous physicist and Mann is an author. Both are Nobel prize winners.

Dr. Sparling said that "if we have a communist on our faculty I do not know of it" and he has "had no word of anything subversive" at the college.

The Rev. John B. Thompson, Presbyterian minister and dean of Rockefeller Memorial chapel at the University of Chicago opened his testimony with this statement:

"I am not a communist. I have never been a communist. I have profound philosophical and political criticisms of communism."

He concluded after long questioning by declaring that under the terms of pending bills to outlaw communism in Illinois "Thomas Jefferson and Abraham Lincoln could be arrested and put in jail for what they said."

Risser, Wealthy Canner, Leaves \$500,000 Estate

Chicago, April 22—(AP)—Disposing of an estate valued at over \$500,000, the will of the late Louis H. Risser, 68, wealthy canner, of Hoopstons, Ill., was filed today in Probate Court.

The will provides for the establishment of two trust funds, each of \$250,000.

The first fund, providing for the widow, Beulah H. Risser, leaves her the family home in Hoopstons in addition to \$250,000 and all her husband's personal property.

The second fund names as beneficiaries the widow; a daughter, Mrs. Jean R. Hallstrom, and Risser's sister, Mrs. Ruth M. Blackwell of Indianapolis, Ind. It provides for an income of \$1,500 a year to Mrs. Blackwell with the widow and daughter sharing the rest of the income from the trust.

Reports New Test For Pregnancy Is 100% Accurate

Chicago, April 22—(AP)—A simple, "virtually 100 per cent accurate" pregnancy test was reported today by a Northwestern University gynecologist. It takes only a few minutes and can be done at the doctor's office.

Dr. Garwood C. Richardson, assistant professor of obstetrics and gynecology at the university's medical school, developed the test based on urine reaction to simple chemical reagents.

He told a joint meeting of the Chicago and St. Louis-Kansas City gynecological societies the test has been used successfully on more than 1,000 women over a period of five years and was virtually 100 per cent accurate, even shortly after conception.

The new test, Dr. Richardson said, eliminates the use of laboratory animals and is four times as fast as the shortest test in general use at present. Results are available within a half hour from the time the urine specimen is taken.

Tells Peace Meet U.S. Workers Will Not Fight Russia

Paris, April 22R—(AP)—Donald Henderson, an American labor leader, told the communist-dominated World Peace Congress today that workers in the United States "will not be driven into a war against the Soviet Union."

The 2,244 persons from 46 countries who are attending the Congress gave him an ovation. The delegates have heard speaker after speaker denounce the United States and other western powers and praise Russia.

Henderson, International president of the tobacco, agricultural and allied workers union of America, an affiliate of the CIO, made a bitter attack on his own government.

He accused it of using "every device and trick to confuse, divide, bribe and use democratic people as weapons against the forces of democracy in the world."

Time Buying Limit Lengthened To 24 Months By Board

Washington, April 22—(AP)—The federal reserve board today lengthened to 24 months the time limit for completing installment purchase payments and simultaneously cut the down payment to 10 per cent for everything but automobiles.

The new regulations will become effective April 27, marking the second time the board has relaxed credit controls in less than two months.

The new 24-month time limit replaces the 21-month limit that has been in effect since March 7. The ten per cent cash down payment replaces a 15 per cent requirement also in effect since March 7.

In addition, the board exempted from control requirements furniture, radios and refrigerators and other non-controlled items costing less than \$100. Previously, the only exemption was for articles costing \$50.

States Germans Laughed As They Killed Americans

Washington, April 22—(AP)—Laughing German troops robbed and then slaughtered helpless American prisoners—some of them wounded—in an all afternoon scene of carnage during the 1944 Christmas season, a husky ex-sergeant related today.

The witness, Kenneth R. Ahrens of Erie, Pa., survivor of the Malmeldy massacre, said he dropped in the snow with two bullets in the back. He played dead for what "seemed like years," then raced into the nearby forest in a burst of gunfire.

Ahrens testified before a Senate armed services subcommittee inquiring into methods used to get confessions from German troops accused of the killings. Seventy-three troops were tried for the massacre which took place in the 1944 Battle of the Bulge near Malmeldy, Belgium.

Forty-three were sentenced to death but none were executed and only six remain under death sentence.

Ahrens said the Germans were "laughing and having a good time." He related in a calm voice how his company of 150 men in a convoy of 40 to 50 vehicles found themselves surrounded in the surprise German breakthrough and had to surrender.

The mass murder took place in a cow pasture, he said.

Johnson, Shot By FBI Agents, Will Live To Face Trial

Indianapolis, April 22—(AP)—Clyde Milton Johnson, designated by the FBI as its currently most-wanted man, likely will have to face trial, doctors at Indianapolis General hospital said today.

They had taken from his back one of the two bullets fired into him as he engaged in a running gun fight last night with three FBI agents.

The other bullet had been located but was not removed immediately. "He probably won't die," said Dr. Charles W. Meyers, the hospital superintendent, after examining Johnson this afternoon.

Johnson had been sought since his escape March 1 from the Dade county jail at Miami, Fla. He was being held in jail in connection with the \$43,000 robbery of the north side branch of the First National Bank of Memphis, Tenn., Feb. 8.

FBI agent Harvey G. Foster said that in addition to the bank holdup Johnson is wanted for robbery of Safeway groceries in California and an A&P grocery in Atlanta, Ga. Foster said the wounded man is believed to have lived at one time in Glendale, Calif.

See No Settlement In Bendix Strike That Idles 19,000

South Bend, Ind., April 21—(AP)—No early end was in sight tonight for the Bendix strike, which had idled 19,500 workers in the automobile industry.

Another 7,000 will be idle Monday at the Kaiser-Frazer plant in Detroit because of a shortage of brake parts made by Bendix.

The two federal mediators who came here to try to settle the differences between the 7,500 striking CIO-United Automobile Workers and the Bendix Aviation Corp. planned to go back to Detroit.

"Both parties appear to be remaining firm," said E. M. Sconyers, one of the mediators. "There is nothing we can do now."

Chester E. Raiston of South Bend, also with the Federal Mediation service, will keep in touch with the dispute, which involves rate of pay and the company's refusal to re-hire men dismissed on charges of slowing down work.

The Nash-Kelvinator motor car division at Kenosha, Wis., closed last night because of the lack of Bendix brake parts. Twelve thousand workers were made idle by this closing.

Judge John R. McSweeney of Stockyards Court assessed suspended fines of \$1 and costs against Al Walker, 37, Negro junk collector who found \$15,000, and three of his pals who helped him spend some of it.

The others are Miss Emma Daniels, 28; Frank Wonder, and John Bell. All had been charged with disorderly conduct. The court held finding money is not a crime.

Walker, who makes a home in an abandoned bakery wagon in a south side lot, found the money in a pouch in front of a currency exchange. It apparently had fallen from an armored Express company truck.

Police have recovered \$9,520 of the money from Walker and his friends.

Stockholders Say Sewell Avery Will Still Head Wards

Chicago, April 22—(AP)—The people who own Montgomery Ward and company today told Sewell Avery to go on running it.

Stockholders at their annual meeting brushed aside complaints over Avery's leadership and gave him a whopping vote of confidence. They re-elected him a director by a larger vote than any of the other nominees.

Then the directors re-elected the 75-year-old Avery chairman and chief executive officer of the nation's second largest retail merchandising firm.

Avery's re-election followed wholesale resignations of top management personnel from the firm. One president and nine vice-presidents quit within the last year. Several said they did so because they couldn't get along with Avery.

Several large blocks of votes were withheld from Avery because of the management flare-up. But Avery didn't need them. He made up that loss, and more besides, from other stockholders.

Police Take \$3,545 In Hidden Assets From Man's Shoe

Chicago, April 22—(AP)—An 86-year-old woman and her son who carried thousands of dollars on their persons were relieved—at least temporarily—of their burdens today.

Judge Rudolph Desort of superior court ordered impounded \$4,000 found on Mrs. Mary O'Rourke, 86, and \$3,795 found on her son, John, 60, pending disposition of a divorce suit brought by John's wife, Agnes, 38, mother of four children.

The court also ordered an examination of safety deposit boxes belonging to the mother and son in a search for the husband's assets. The younger Mrs. O'Rourke charged her husband, a tallow maker, has concealed more than \$50,000.

Arrested for violating a court order which prohibited him from concealing his assets, O'Rourke was relieved of \$3,545 which he had secreted in his shoe. Another \$240 was found in a bilfold.

The elder Mrs. O'Rourke appeared in court with her son today, carrying a large bundle. The wife's attorney, Peter Scallies, suggested that the bundle be examined. After removing two shopping bags, Judge Desort found a black bag containing the \$4,000.

In her stocking, Mrs. O'Rourke had another \$300.

Murphy Will Try To Persuade Germans To Accept Compromise

Washington, April 22—(AP)—An American trouble-shooter, Robert D. Murphy, rushed overseas tonight to sell a "compromise" plan of limited self-government to balking Germans and thus prevent Russian from winning a big round in the cold war.

The compromise was offered by the Big Three—The United States, Britain and France—after the powerful German socialist party turned thumbs down on a Big Three offer for a federal German state with limited powers.

In the compromise, made public tonight, the three powers gave in slightly to the socialists' demand for more centralized controls of the finances of the proposed west German regime.

Secretary of State Acheson picked Murphy, his top expert on German affairs, to put the compromise across. Murphy is an American political adviser for the occupation.

The urgent reason for the move was this: If the Germans should finally reject the western allies' offer to create a German government in the western zones, it would be a big diplomatic victory for Russia.

Big Three attempts to agree on a plan to put Germany on its feet politically and economically bogged down long ago in endless recriminations. Then the western powers determined to go ahead to set up a regime in the western zones, try to foster democracy and prosperity there, and thus check the spread of communism.

Now, if the Germans themselves should scorn the plan it would put the Big Three on an awkward spot and officials fear it would encourage the spread of communism.

The concessions offered in the compromise plan were on technical parliamentary points. They were interpreted by officials here as going part way toward the demand of German social Democratic party leaders that the central government be given stronger powers than the military governors have thus far been willing to approve.

They were submitted to the German parliamentary council which has been at work at Bonn since last September on the draft of a constitution for the new state.

The concessions took the form of a memorandum from Secretary of State Acheson and the British and French foreign ministers. This memorandum of their views was adopted at their meeting here three weeks ago and transmitted to the military governors as of April 8. It was left to the military governors to decide when to submit the memo to the Bonn council. This was done today.

Living Costs Go Up After Falling 5 Straight Months

Washington, April 22—(AP)—Living costs have gone up a little after falling for five straight months.

The government reported today that its latest consumers price index rose 3/10 of one per cent from mid-March. It had fallen steadily since the record high of August and September.

The index is prepared by the Labor department's bureau of labor statistics as a measure of retail prices for goods and services bought by moderate-income families in large cities.

A one per cent boost in the housewife's food prices over the month accounted mainly for the index rise. Other advances were reported for rents and miscellaneous goods and services (medical care, household operations, transportation, recreation, tobacco, etc.).

More than seasonal advances for meats led the slight rise in foods. The index for mid-March was 169.5 per cent of the average for the 1935-39 pre-war period. At this level it is 1.6 per cent above a year ago and 72 per cent over pre-war 1939. It is just about three per cent below the August-September peak.

McLean Co. Leads Illinois In Corn Under U.S. Loan

Decatur, Ill., April 22—(AP)—McLean county leads the state in the amount of corn Illinois farmers have under government loan, the state production and marketing administration office said today.

Macon county was second among counties having more than 1,000,000 bushels under government loan, and Champaign county third.

McLean county's total under loan as of April 1, was 1,814,545 bushels. It has a loan value of \$2,576,653.

The state agency said that through government loans and purchase agreements, Illinois farmers are assured \$1.41 to \$1.47 a bushel on corn properly stored on farms. Corn sold today on the Chicago board of trade for \$1.25 a bushel.

Other counties which reported more than a million bushels under loan are: Iroquois, Livingston, Vermillion, LaSalle and Logan.

Lutherans Study Building Of Home For Delinquents

Chicago, April 22—(AP)—The Illinois conference of the Augustana Lutheran church today voted an investigation to determine the "advantage and practicability of establishing a home for delinquent youth."

At a business session which closed the conference's 97th annual convention, the assembly named a five-man committee to study the possibility of establishing such a home.

In other resolutions, the group took a stand against peacetime compulsory military training, urged honesty in national, state and local government, and condemned gambling.

The group also took a stand against objectionable comic books and publications "containing salacious features and stories of violence, bloodshed, evil trickery and perverted ideas as to heroism and glamour."

26 DP's FOR ILLINOIS
Washington, April 22—(AP)—The U. S. army transport General R. L. Howze is scheduled to arrive at Boston tomorrow bringing 940 displaced persons to homes in 31 states and the District of Columbia.

Twenty-six will go to Illinois.

Reliable estimates say there are about 3,000,000 coin-operating vending machines in this country, outside of coin-telephones and parcel lockers.

No Longer A Wild, Irresponsible Kid, States Leopold

Joliet, Ill., April 22—(AP)—Nathan Leopold, who murdered for a third time 25 years ago, told the Illinois parole board today he is no longer a "wild, irresponsible kid."

Leopold teamed with Richard "Dickie" Loeb in 1924 to commit one of the most sensational crimes of the 20th century—the kidnapping and murder of Bobby Franks, a 14-year-old neighbor boy.

The two scions of wealthy Chicago families killed the boy, stuffed his body in a culvert, and then sought to collect \$10,000 ransom from his parents.

Both received terms of life imprisonment and 99 years. Loeb died in Stateville penitentiary in 1936, the knife victim of a fellow prisoner who was outraged by an indecent proposal.

Leopold, now 44, has been an exemplary prisoner. And it was his volunteering, along with 444 other prisoners, for participation as a human guinea pig in malaria control experiments during World War II which won him today's chance for clemency.

Under the law, he will not be eligible for parole until 1957 when the 99 year term shall have been one-third served.

However, all the prisoners who participated in the malaria experiments were promised consideration of clemency pleas. And the parole board will make recommendations to Gov. Adlai Stevenson.

Investigate Sexual Perversion Angle In Atlanta Murder

Atlanta, April 22—(AP)—Atlanta police said today they are investigating "a possibility" that sexual perversion was involved in the pre-dawn slaying of Metropolitan Opera tenor John Garbis.

Lt. M. M. Coppenger, homicide chief, said the investigation has produced "many reports" of unnatural sex activities.

Dr. Herman Jones, Fulton county criminologist, said police are working on a theory that sexual perversion "might have been the whole thing behind it."

Otherwise, police said, they are probing into a dark curtain of mystery. They had no definite suspects.

Garris was found yesterday morning in a rain-drenched alley in Atlanta's warehouse district. A steel-jacketed .38 pistol bullet had pierced his body.

The handsome young tenor had been scheduled to accompany the rest of the opera troupe to Memphis on a train leaving Atlanta about 3 a.m. yesterday.

3-Year-Old Girl Freed From Prison Between 2 Walls

Providence, R. I., April 22—(AP)—Carol Ann Russell, 3, was rescued by firemen from a seven-inch slot between two buildings 20 minutes after she slipped off a play yard roof adjoining her second story home here late today.

Playing with her sister, Frances, 10, the younger child fell into the gap between the building and dropped 14 feet before she became wedged fast. Frances ran crying to her mother, Mrs. Lois Russell, who called firemen.

Firemen sledged a hole in a foot-thick concrete wall and extricated the child. She had suffered only minor bruises and fright.

Cops Solve Crime On Way To Scene

Chicago, April 22—(AP)—Two Chicago policemen worked so fast today they had a robbery solved before they reached the scene of the crime.

En route to a restaurant where they had been called, policemen Frank Rogers and Frank Hanaberry picked up John Tyrus, 39-year-old Negro ex-convict. The remembered arresting him last year for a robbery at an elevated station.

When their squad car pulled up in front of the restaurant, the manager, Harry Xenogus, pointed out Tyrus as the robber.

Rogers said Tyrus admitted taking \$10 from Xenogus at pistol point.

The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Friday as follows: High, 77; low, 48; and at 6 p.m., 72.

Forecast for Illinois—Partly cloudy today and not quite so warm.

Would Deduct Tax From Pay Checks

Washington, April 22—(AP)—President Truman asked Congress today to help end "unnecessary human suffering" by approving a compulsory medical insurance plan which, officials said, might cost \$6,000,000,000 a year.

Workers pay checks and employers payrolls would be taxed to finance the program.

Declaring that "good health is the foundation of a nation's strength," Mr. Truman appealed anew for adoption of the broad 10-year health program he previously had outlined to the lawmakers. This calls for a vast expansion of the country's medical services and hospital facilities, plus increased numbers of doctors, dentists and nurses.

Stresses Compulsory Insurance
But the president laid major stress on the compulsory health insurance program in his 3,000-word message to congress. This proposal, first advanced in 1945, already has become a subject of controversy, not only on Capitol Hill but also among the medical profession itself, with opponents contending it will mean "socialized medicine."

Mr. Truman, however, pointed to the recent spread of voluntary medical insurance plans as "proof that our people understand the advantages of health insurance and desire its extension."

"Unfortunately," he added, "voluntary plans have proved inadequate to meet the need." He said that while some 50,000,000 Americans now have "some form of health insurance" only "three and one half million of our people have insurance which provides anything approaching adequate health protection."

Brushing aside opponents' charges that the federal insurance project would be too costly, Mr. Truman said "the truth is that we will save a great deal more than it costs." He asserted that Americans already are paying about four per cent of the total national income

DOING GOOD STRAINS BUDGET
Governor Stevenson expects to save \$50,000,000 by tighter sales tax collections. He proposes \$2,400,000 in additional harness racing taxes. He is achieving some economies by lopping off non-working employees—a sizeable number of them left over from the previous administration.
His \$112,000,000 fund for the state's schools, which is \$46,000,000 above the previous sum, may be boosted by the legislature. The schools want a minimum of \$125,000,000.
The governor wants \$40,000,000 allotted the cities, most of which have been hard hit by inflation. But how this is to be done remains to be determined.
He will have to do all these things and perhaps more to balance his record of \$1,273,403,000 peacetime budget. He admits that his income estimates are optimistic. It is doubtful that he can get the \$50,000,000 from improved sales tax collections.
Salary increases for state employees are being asked and will be strongly supported.
The governor already has approved higher pension limits for the aged.
He is learning that there isn't as much money on hand as he expected, and that when the state does something good for some group of citizens, it has to be paid for in taxes.
He hasn't learned to say "no" to fund requests as convincingly as his predecessor, Dwight Green, did. But he is saying "scat" to non-working jobholders. He will find that what is saved in this way will be more than offset by the additional allotments to worthy groups of citizens. But he can maintain that the people are getting full value for their money.—Rock Island Argus.

RUSSIA USES OUR LIBERTY SHIPS
Soviet Russia is now using the Liberty ships we loaned her during the war as floating canneries and as a result probably has become the greatest fishing nation of the North Pacific while 1305 of our Liberties are lying idle in our harbors and rivers.
This is reported in an article in Collier's, which proposes several profitable uses for the idle Liberties, including the conversion of many into floating canneries.
"The thrifty and ingenious Japanese operated floating canneries for many years before the war," the article reports. "They caught and canned tuna, salmon and giant crab while ranging the finest fishing grounds of the North Pacific. When the war ended, the Japanese flag had been swept from the seas and most of its merchant marine fleets the bottom."
"But the Russians, operating from North Korea and Vladivostok took over where the Japanese left off. Taking Liberties loaned them during the war, they converted the ships to floating canneries. As a result, Russia has probably become the largest and most efficient fisherman of the North Pacific. How many Liberties the U.S.S.R. is operating as canneries is a secret of the Kremlin. But it is certain it is doing better than the United States."
It is reported that only two of our Liberties are being used as floating canneries. They are being operated off the Cook Inlet, southern Alaska, where the climate is "too cold for human habitation (and) canneries cannot feasibly be built."
"But fishing this area has been made possible and profitable with floating canneries," the article continues. "When their holds are filled the ships steam southward to warehouses and railheads, processing their cargoes as they go." There are said to be many other areas for such fishing, aside from Alaskan waters.
The article reports that under present federal regulations, the Maritime Commission cannot operate the idle Liberty ships itself, cannot sell them to American purchasers, except for use as cargo ships, and cannot present them to foreign governments.

Stay Away From My Pups!

Anybody who monkeys around a litter of two-weeks' old Shepherd puppies on the Paul S. Black farm north of Jacksonville is going to hear some fancy fussing from a White Plymouth Rock hen. And if the intruder will get pecked if he has the audacity to pick up one of the black and white, or red and white pups, for Biddy has adopted them, all ten of them.
Lady, a trained stock dog, chose a spot in the barn for her young ones. But she'd be away for the pups for some time, since she evidently feels that the horses and cows won't thrive unless she gives them considerable attention. Sometimes the pups would whine and cry before Lady would return. The anguish of the forlorn youngsters evidently touched Biddy's heart and she decided to take over.
Earlier this week she attempted to interest the pups in some nice grains of yellow corn, but she's about come to the conclusion that they won't eat corn.

Whatever Became Of The Pyramid Clubs?

By Hal Boyle
New York—(AP)—If you didn't make much dough out of the Pyramid Club craze, don't feel lonesome.
It's dollars to doughnuts that more people got doughnuts than dollars out of these get-rich-quick enterprises.
Because at most of the parties launching Pyramid Clubs you at least got a doughnut and a cup of coffee. It is another matter how many people for the \$1 they plunked down, got back twelve days later the \$2,000 they hoped for.
For very, very few seem to have worked their way to the top of the pyramid—people being what they are, and dollars being what they are.
Doughnut Business Thrives
But the doughnut industry did well indeed. It is still doing well in areas just being infected by this modified version of the 1935 "chain letter" epidemic.
To check on this point I phoned a spokesman for the doughnut industry.
"Have the pyramids clubs affected the sale of doughnuts?" he chirped happily. "Why, wherever the craze hits it doubles the doughnut business. It lasts a week or ten days in most places, and the sale of doughnuts goes up a hundred per cent."
There are no reports available as to the impact of Pyramid Club parties on the aspirin market—although certainly all the hangovers weren't financial.
Word Sweeps Around World
Word of this latest American investment fad swept quickly around the world. There was no great reaction in Egypt, where the pyramids have held buried hopes for a long time. British newspapers expressed a polite interest. But the sons of John Bull have been slow to take it up—either through a shortage of dollars and doughnuts or a surplus of common sense.
Here in the United States the Pyramid Club mania has bounced around like a haphazard tornado. It swept eastward from California, where people used to have to dig to find gold.
It hit hardest in the cities. Police in Columbus, O., estimated it was a \$1,000,000 merry-go-round there for two weeks.
The Pyramid Club hysteria is still spreading in smaller towns and cities. Last week it was rampant in parts of Florida. I mentioned this to a cynic with a fading Miami suntan and he observed:
"I don't think Pyramid Clubs will ever really take the place of tourists in Florida."

Old Beauty—Ready To Parade

Even though the aging beauty has been officially branded "retired," she'll be ready to parade her chassis as part of the colorful parade which the Zingabard Grotto has scheduled for Saturday night.

Now owned by Paul B. Titus, Jr., of Quincy, a senior at Westminster college, Fulton, Mo., the gold and red engine was once the property of the Ewing Green, Mo., fire department. The engine minus her fire-fighting accessories, was purchased for the sum of \$245. In the year that her new owner has had her, close to 4,000 miles have been added to the 800 which were run up during her 21 years of service with the Bowling Green fire department.

IGNITION WIRES CUT ON BELLEVILLE AUTO

William R. Wade Shows Top Photo

William R. Wade, of 411 South East street, was one of the winners in the International Students Photographic Art Salon held in Santa Barbara, Calif.

The purpose of the salon is to enable students, attending photographic schools at the present time, to enter their work and have it judged by competent men and women in the business world as to the selling qualities of the photographs and the ideas behind them.

Mr. Wade is now attending Brooks Institute of Photography in Santa Barbara, Calif.

Carrollton Man Heads Largest KC Chapter In State

Carrollton—Lee Pohlman of this city was elected president of the Central Illinois chapter of the Knights of Columbus Wednesday evening at a meeting held in Gillespie. He will be installed in office at the next meeting to be held in July at Litchfield.

The new president of the chapter is a past grand knight of the local Knights of Columbus Council 1906, having served in 1945 and again in 1947. He is the son of Mr. and Mrs. John B. Pohlman of this city and is employed in the local post office.

In his new position, Pohlman will be president of the largest chapter in the state of Illinois.

Others from here who attended the meeting in Gillespie were Henry S. Schmidt, Joe Schmidt, Martin Kirchbach, Raymond Schroeder, Howard W. Darr, Andrew Kirchbach, George Goeddey, Francis Greers, B. W. Mehl, Leonard Kirchbach, Herbert Hartman and Gerald Sturgeon. Paul Cooney, an insurance representative of the Knights of Columbus, who is spending two weeks here, also accompanied the group to Gillespie.

David Prince PTA Installs Officers For Coming Year

Officers of the David Prince P.T.A. were installed at the group's final meeting of the year held Wednesday evening at the school. Mrs. Paul Vannier of Bluffs acted as installing officer.

The new officers are Mrs. J. Allan Biggs, president; Willard Cody, vice president; Mrs. Clarendon Smith, secretary; and Elmer Middendorf, treasurer.

Following the business meeting, a musical program was given which included numbers by the Junior High Songsters, the Junior High band and the Junior High orchestra. A demonstration was given by Mrs. Ridder's gym class.

The rooms were open for a display of exhibits.

COLD WEATHER SLOW'S FISHING PERMIT SALES

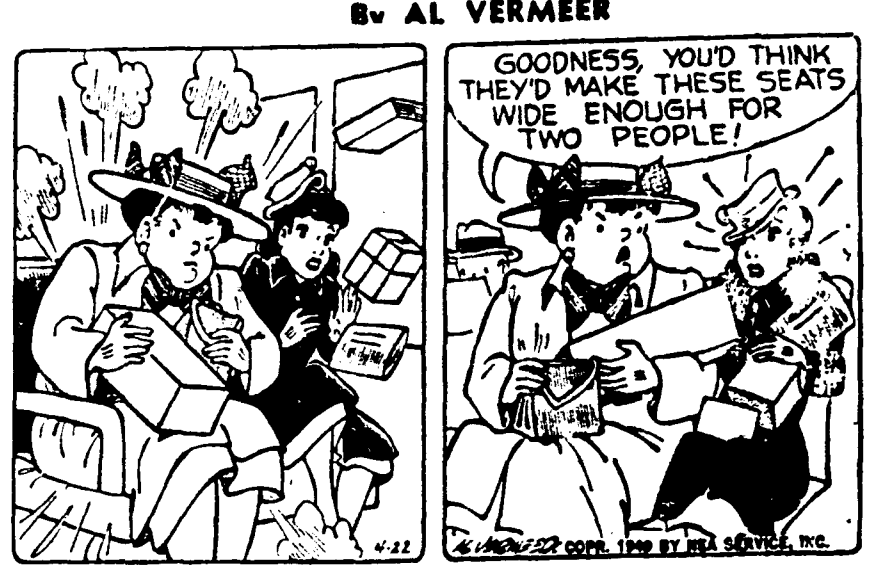

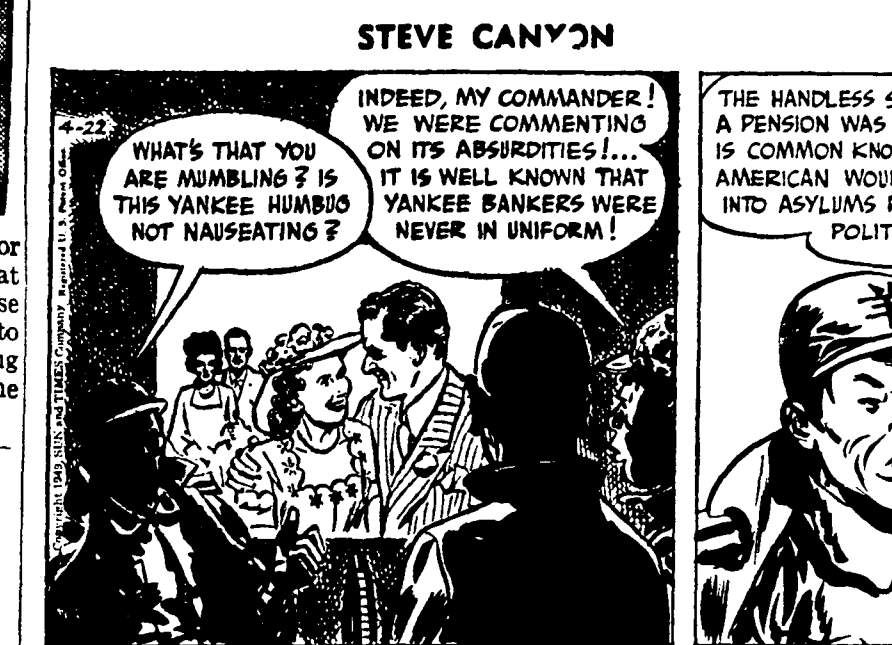

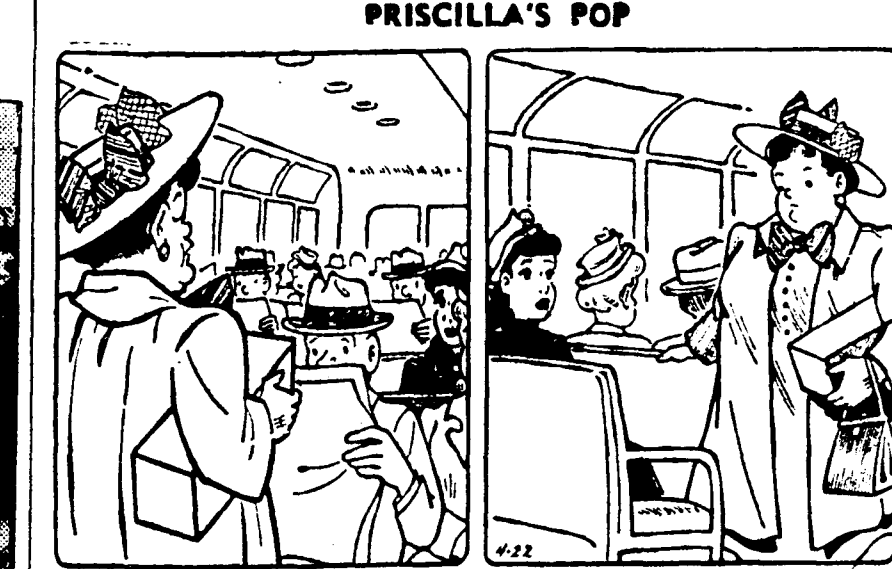

Jerseyville—The cold weather has held back the seasonal urge to go fishing, according to City Clerk Harold Brooks. The number of fishing licenses issued thus far during the current season from the local office is much less than one year ago when temperatures were suitable for looting on a creek or river bank.

Similar reports come from the Grafton and Hardin localities.

MARRIAGE LICENSES

LeRoy Junior Hayes and Mollie Jo Jester, both of Jacksonville.

John Brickey and Esther Preston, both of Murrayville.

'Apple Blossom Time' In Calhoun Sunday

Visitors from all sections of the country are expected in Calhoun county Sunday. The buds of the thousands of apple trees which cluster the limestone slopes of the scenic river county are opening. J. H. Allison of Hardin, Calhoun county farm adviser, said that warm temperatures Friday night and Saturday would bring out the full glory of apple blossoms by Sunday.

Other residents feel that the blossoms will show to better advantage Sunday, May 1.

Lee Hanks, Hardin attorney and secretary of the Hardin Chamber of Commerce, said that a circle route beginning at the county seat would be laid out for the benefit of the visiting motorists.

Suggested routes for the colorful drive are west on U. S. 36 to Detroit and south on Route 100 to Hardin, through Pearl and Kampsville. The river may be crossed by the free bridge at Hardin or on the free ferry at Kampsville, although the latter is certain to be mighty busy all day Sunday and those who wish to take a ferry ride will probably have to wait at the landing for some time.

Enthusiastic sight-seers are invited to include Pere Marquette park. Dog fanciers making the trip might want to stop to see the beagle, coon and fox hound judging contests to be held Sunday afternoon at Oceanview park, Florence.

Rotary Club Hears College Quartet

Jacksonville Rotarians were entertained by musical selections sung by the Illinois College male quartet during the regular club meeting Friday noon.

The quartet, consisting of Joe Hill, Bob Falkenberg, Paul Rush and Fred Ruppel, sang five songs, including three spirituals. They were introduced by Earl Miller, program chairman.

Final Rites For Mrs. Wm. Douglas To Be Saturday

Mrs. William S. Douglas, 76, died Wednesday at 10:21 p. m. at her home, 802 Spades avenue, following illness of ten days.

Born in Fairmont, Ga., on Aug. 23, 1872, Mrs. Douglas was the daughter of Mr. and Mrs. Jason Bright. Her marriage to William S. Douglas took place on Dec. 19, 1901. The couple had since resided in Jacksonville.

Mrs. Douglas was preceded in death by her parents, one son, Raymond Thomas Douglas, who died in 1925, and twin grandsons, who died in infancy in 1947.

Surviving are her husband; two sons, Ralph O. Douglas of Pontiac and Wilson S. Douglas of Davenport, Ia.; four daughters, Mrs. Lois Wolfe of Rock Island, Mrs. Ruby A. Arenz of Reedsburg, Wis., Mrs. Amy F. Buckingham of Pontiac and Mrs. Rachel E. Coultas of Davenport, Ia.; and one brother, Wilson Bright of Rome, Ga.

Also surviving are the following grandchildren: Patsy Ann Wiedman, James Arenz, Peter Buckingham, Sally Ann Coultas and Karen J. Douglas, and one great grandson, Bobby Wiedman.

The decedent was a member of the Silver Creek Primitive Baptist church.

Funeral services will be held Saturday at 2 p. m. at the Cody and Son Memorial Home, with the Rev. William J. Boston officiating. Burial will be in Jacksonville East cemetery. The body will remain at the funeral home.

Honor Students At Carrollton Receive Awards

Carrollton—Bill Boe, Miss Hester Bailey, Miss Virginia Dowdall, Miss Mary Ellen Hubbard, Miss Phyllis Melow, Miss Elizabeth Meek, James Johnson and Jack Tapp were honored with a scholastic achievement award which was presented Tuesday morning at a high school assembly.

The award was a chenille letter in school colors bearing as an emblem the lamp of knowledge. The award was decided upon at a meeting of the student council in January. The eight who received the award were the students whose names appeared on the honor roll three times in the remaining four six weeks periods.

Eight more students have a chance to win the award during the last six weeks of the school year.

Chapin Restaurant Loses Merchandise

Sheriff Ralph Bourn and Deputy Jack Andrews Friday investigated a break-in into the Northrup restaurant at Chapin which occurred sometime after 11:45 p. m. Thursday and opening time Friday.

Entrance was made by prying open the front door of the cafe. A preliminary check indicated the loss of ten boxes of cigars, 15 cartons of cigarettes, ten boxes of chewing gum and five cigar lighters.

An attempt was made to rob the coin deposit box of the electric record player.

New HAYING SYSTEM

... Fewer Men ... More Hay ... and Rolled Bales.

These three Allis-Chalmers machines mechanize your hay harvest from start to finish. You don't even need a pitchfork. You get better quality hay, and use a smaller crew.

FRONT-MOUNTED MOWER

Always in easy view of the operator. Better control for mowing around obstructions. Fast hydraulic lift. Unmatched stability, particularly on hillsides. Hydraulically controlled sickle bar.

TRACTOR RAKE

Really engineered for tractor power. Power-driven, has two forward reel speeds and one reverse for tedding—shift easily as shifting your car. Casters, rubber-tired, front wheel makes it easy to lay clean, straight windrows, without pitching or roping. Ball and roller bearings throughout.

ROTO-BALER

ROTO-BALER makes weather-resistant, rolled bales—fast. Saves more leaves. Rolled bales can be fed with less waste, whole or unrolled. You can stack more tons of hay in a given area. They don't break apart when handled rough. Twine-wrapped—safe for livestock.

City Light Pole Broken By Auto

A city light pole located on Broadway Alley was broken off early Friday morning by an unidentified motorist, who was evidently cruising through the alley at a pretty high rate of speed.

Lt. Stout and Officer Hill of the police department investigated the incident. They notified Spot Cline of the city light department and kept cars and pedestrians away from the wires until Foreman Cline and his emergency crew repaired the damage.

Centenary Youth Arrange Program For Fellowships

Tim Colvin has announced that the Centenary Methodist church will act as host to the Jacksonville group of Methodist Youth Fellowship this coming Monday night at 7:30 p. m. The sound motion picture of the film "Daybreak" will be shown.

The theme of the picture is based upon the true story of a young man from Austria who was placed in a prison camp and then later released. It tells of his struggle to get back to his home only to find it is in desolation and ruins and his neighbors starving to death.

A large box will be placed at the entrance of the church to collect old clothing or shoes that the young people have been asked to bring. The clothing then will be shipped to the Methodist Church World Service and shipped to the needy people of Europe. Light refreshments will be served after the showing of the film by the Centenary Youth Fellowship.

Nortonville Club Has Meeting At Whitlock Home

The Nortonville Community club met at the home of Mrs. Irene Whitlock, who entertained the group in place of Mrs. Mabel Whitlock, who was ill. Fifteen members and six guests, Mrs. Maude Hendricks, Mrs. Frances Mutch, Marjorie Mutch, Betty Lee Seymour and Lawrence and Harry Lee Whitlock, were present.

The meeting opened with group singing of "Near the Cross," followed by "The Lord's Prayer" said in unison. Mrs. Lucille Oxley presided. A report on the district meeting at Petersburg was given by Mrs. May Clayton.

An Easter program was presented, which included a Bible story, read by Mrs. Ethel Newingham; "Holy City, Okla." by Mrs. Lottie Story; "Easter Parade" sung by the group; and prayer by Mrs. Irene Whitlock. Mrs. Lottie Story had charge of the social hour. Prizes were won by the groups led by Mrs. Swannee Ritchey and Mrs. Ethel Newingham. Refreshments were served.

The next meeting, to be held April 30 with Mrs. Alma McLamar, will be the final meeting of the club year.

CARD OF THANKS

I wish to thank the voters for their support in Tuesday's election.

THE storm was at our back, but the night would be cold and we'd have a long walk if the car stopped. We hadn't seen another car on the road for an hour, and after dark there would be even fewer cars abroad. Likely no one would have gas to spare if we did flag him down. The countryside was almost tenantless; what few houses there were scattered miles apart on the sheep ranches.

We pulled into Dupuyer cramped and lame from muscles tense from pressing.

Davis' garage was locked. I squinted around hopelessly for some kind of hotel. Major got out of the car and stopped a boy riding up the street on horseback. "This garage locked for the day?" he asked.

"Probably so. Less you can find Ted. Gas shortage," he explained. With help from the boy, Major sighted the pool hall and, hitching up his trousers, made for Ted—we hoped.

A few minutes later Major reappeared, followed shortly by a man pulling on a leather jacket. He unlocked the pump and let us have a tankful, refusing to accept coupons for it. "Wish I could afford to give you the gas, too," he said. "My boy's dying with the Navy."

"Got to make up time," Major observed, as he pressed the throttle to the floor. We hit 110. "Lots o' gas now and no worries."

Coming off the highway into a town, we had the illusion that we could walk faster than the 30-mile speed posted. Major compromised on 50.

The patrolman who made the arrest rode a motorcycle with side-car. He ordered Major into the little side seat and told Molly she could follow along to the station house if she wanted to, but he

warned her it wouldn't do any good. "This judge is tough," he said. "No fines. Just jail."

"Call the Judge Advocate, Molly," Major said, before embarking on his unwelcome ride.

"No good," the policeman said. "This man don't deal with no Army."

"That's ridiculous!" Major exclaimed. "It's understood the Army is under its own discipline."

"Supreme Court don't understand it." The policeman knew more than Major, and his knowledge was right. Major got three days and he served them.

WE left Major at the jail, disconsolately thrown into a tank which contained only half enough beds to go around. The denizens already housed there explained that they took turns standing and sleeping and that since he was new, he'd have to stand that night. Drunks, speeders, and other petty law-breakers made up the cell congregation.

Molly told Major not to worry, that she'd return immediately with his overnight kit. The boots and canteens which greeted this remark caused Major to tell her harshly not to bother.

A drunk picked a body louse off his chest and crushed it between his fingernails. Molly shrieked and I led her out of the cell block, drove her home, and put her to bed.

Rob heard me coming downstairs just as he was tuning in on Fred Allen. "Where you been?" he asked.

"Glacier Park," I answered hurriedly to get to more important matters. "Major's in jail."

"I asked you where you've been," Rob said testily, apparently convinced I was stringing him and not more concerned by my telling him Major was in jail than by my saying we'd been to Glacier Park.

"Glacier Park."

"You're lying." I never knew a

man with such resistance to the truth.

"And Major's in jail," I repeated.

"Are you going to tell me where you've been or aren't you?" If I'd said we'd been to the moon and it really was made of green cheese, he couldn't have been madder. It was all so silly, I laughed. That laugh only served to increase his anger.

"God, how I hate liars," Rob muttered to himself, too angry to include me. He must have hated liars more than he loved Fred Allen, for he picked up his book and went to his room without hearing the program.

He had to admit next day that Major was in jail all right, for we gave him a thermos of coffee and a bagful of sandwiches to deliver; but he'll likely die believing we lied to him about going twice in the same day to Glacier Park. Montanans simply didn't carry on that way.

MAJOR had been "out" for 10 days and the incident was practically forgotten. We were having a game of bridge when there was a knock at the back door. Being dummy, I answered it.

Two begrimed individuals stood there expectantly. They were young and dirty. Their faces were black as with coal dust; shocks of filthy, matted hair showed around the edges of their caps; their Navy peacoats were gray with dust and dirt, and their rough work shoes were the same.

One asked for Major Capner. I asked who they were. "I'd rather not say," the bigger boy replied. "Just please let me speak to Father."

"Father! . . . Major!" I called. "Come quick. It's for you."

It required a good hard look before he recognized his son. "George!" he exclaimed. "What on earth?"

The boy's chin trembled. He bit his lip before he answered. When he spoke, it was with childish bravado. "I came out to see you. Aren't you going to let me in?" Spying Molly peering over Major's shoulder, George said, "Lo, Mom," and sent her into hysterics. (To Be Continued)

Grotto Parade To Be

Held Saturday Night;

Three Bands To Play

Two high school bands and the Shrine clown band from Springfield will beat the tempo for the parade which the Zingabadi Grotto will hold here Saturday night.

Having featured spots in the parade will be two old-time motor vehicles, an antique automobile owned by Charles Honey and a 22-year-old veteran fire engine, formerly the property of the Bowling Green, Mo., fire department.

The parade will form at the Masonic Temple at 6:45 p. m. and begin marching promptly at 7 o'clock. With the Legion colors in the lead, it will progress east to South Main street, then north and around the square to West State street, where it will march to Church street and then disband.

The line-up for the parade is as follows: Legion colors; J. H. S. band; "Old Red B." the retired fire engine; the Shrine Clown band from Springfield; candidates for membership in the Grotto; the Decatur Patrol; the antique auto; the convertible in which the ladies will ride; and the high school band.

The parade is preliminary to the semi-annual Grotto ceremonial, during which the candidates for membership will be initiated. A banquet, served by the Star Shrine, will precede the parade.

H. V. Knowles and Fred Bailey will have charge of the parade. Lyle H. Roe of Springfield is director of the Shrine band.

Edward H. Jackson is monarch of Zingabadi Grotto.

Fine Kansas Woman

\$250, Costs For

Drunken Driving

Mrs. Josephine Sage, 57, of Topeka, Kans., was released from county jail Friday morning upon her payment of a fine of \$250 and costs assessed by County Judge Paul Fenstermaker Thursday afternoon when she pleaded guilty to a charge of operating a motor vehicle while under the influence of liquor.

Her husband, Joseph, 53, pleaded guilty Wednesday to a charge of being drunk on the highways. He paid the maximum fine for this offense, \$5 and costs.

The couple were arrested by county sheriff deputies Monday evening in the 200 block of South Main St. Their car had been observed weaving in a dangerous way, but nobody was struck by the automobile.

Immediately after the trial Mrs. Sage was returned to the county jail to await the arrival of necessary funds to pay the fine.

Lindalee Tewell

Becomes Bride Of

Lewis C. Fanning

In a single-ring ceremony which took place Easter Sunday at 2:30 p. m. at Trinity Episcopal church, Miss Lindalee Tewell became the bride of Lewis C. Fanning.

The vows were received by the Rev. Reginald M. Harris in the presence of a large group of friends and relatives. Mrs. Harris played the wedding music which included the wedding march from Lohengrin.

The bride, who was given in marriage by her grandfather, Lee Perkins, was attired in a dress of rose crepe, with which she wore elbow-length gloves of silk and lace and a flower-trimmed hat. She carried a bouquet of pink roses and white flowers.

The flower girl, Ramona Ann Tewell, sister of the bride, wore a blue suit and carried a bouquet of roses and sweet peas. Miss Bonnie Jean Johnson, the bridesmaid, wore a navy and pink dress. The matron of honor, Mrs. Evelyn Morris, also a sister of the bride was dressed in a blue suit. Both she and the bridesmaid wore flower-trimmed hats and corsages of red roses.

The bridegroom's brother, Donald Fanning, acted as best man.

A reception for members of the wedding party was held in the parish hall. The traditional three-tiered wedding cake was cut by the couple and served to the guests.

The couple left on a short wedding trip to Peoria. They are now residing at 211A S. Fayette street.

Pvt. Patricia D. Tewell of Carlisle Barracks was a guest at the wedding.

Routt Nine Falls Before Meredosia 7-6

The Routt Rockets seventh inning rally fell short by one run and they had to come home from Meredosia with a 7-6 setback to show for their quest against the river-town's nine yesterday afternoon.

Paul Sauer, Coach Stroud's number-one hurler who has been sidelined for the past two weeks with eye injuries, started the contest for the locals and went the entire seven-inning route. He gave up only five hits, but those infield play behind him allowed enough runs to score to give the host nine the win. The Routt club hit safely 8 times, but could convert only 6 of those bingles into runs.

The Meredosia crew drove three runs around the bases in the first two innings to go ahead 6-1. Routt's lone run came in the third inning.

Both teams went scoreless until the sixth inning when each club gained a single tally. Routt's on hits and Meredosia's on errors.

The Rockets staged a tremendous fighting rally in their half of the seventh, scoring 4 runs. However, Meredosia turned the tide just in time and emerged from the bout with another PMBC win under their belts.

The Rockets can be seen in action on their home grounds Tuesday, April 26, when they entertain the Bluffs outfit in another PMBC loop go.

Yankees Remain Undefeated; Win 4th From Bosox

Boston, April 22—(AP)—The undefeated New York Yankees, with strange faces in many positions, won their fourth consecutive game today and at the same time spoiled Boston's American league home opener by whipping the Red Sox, 5-3.

The largest opening day crowd in the history of Fenway Park, 39,955, saw Boston pitchers dole out nine bases on balls and Yankee hurlers give eight.

Tex Hughson made his first start of the season and didn't do too well. The tall right-hander, who went to Texas to pitch in the hot sun last season after two arm operations, walked six Yankees and was rapped for five hits in six innings.

The loss, however, was charged to lefty Earl Johnson, second of four Boston hurlers.

Allie Reynolds, starting and winning New York pitcher, wasn't much better as he walked five and was batted for all seven Red Sox hits.

The Yankees scored three times at Johnson's expense in the seventh. New York 000 002 300—5 9 3 Boston 000 010 002 000—3 7 2

Reynolds, Page (7) and Berra, Houk (8) Hughson, Johnson (7), Ferriss (7), McCall (9) and Tebbetts, Batts (9). Winning pitcher—Reynolds; losing pitcher—Johnson.

Homer By Kiner Gives Pirates 5-4 Win Over Reds

Pittsburgh, April 22—(AP)—Ralph Kiner, with a grand-slam homer and Clyde McCullough, with a run-scoring triple, enabled the Pittsburgh Pirates to come from behind today and win their home opener from the Cincinnati Reds, 5-4.

A crowd of 32,167 saw started Bob Cherneski shelled from the mound in the second inning. He gave up all four Red Runs in the first stanza.

The first tally was a homer by Johnny Wyrostek. Two errors plus singles by Hank Sauer and Ted Kluszewski accounted for the other markers.

Cincinnati 400 000 000—4 11 0 Pittsburgh 004 100 005—5 5 5 Fox, Erazut (8) and Howell, Werle (2) Casey (9) and McCullough.

ISD Tracksters Win Three-Way Meet Friday

Art Yates' ISD track team chalked up an impressive victory over Virginia and Waverly on the western grounds Friday afternoon. The Tiger tracksters scored a total of 81 points, while the best their opponents could garner were scores of 55 and 14 respectively.

Eddy Raffel was the leading point getter on the local team. He topped first in both the 100 and 220 dashes.

Walrich of Virginia gained blue ribbons in the high hurdles, high jump and broad jump to lead the field in total individual tallies counted.

The Summary:

High hurdles—Walrich, V. Carlstedt, I.; Turner, W.; time 17.3. 100 yard dash—Raffel, I.; Walrich, V.; time 11.2. Mile run—Ellis, I.; Hopkins, V.; Yates, I.; time 5:17. Pitches 1-Hitter, Strikes Out 21, Loses Game 9-8

Seattle, April 22—(AP)—Pitcher Al Getchell struck out six men in one inning, 21 in nine innings, gave up only one hit and lost the game, 9 to 8.

Yes, six in one inning! Three times catchers dropped the third strike in the fourth stanza.

His Pier 91 team used three vatches and the trio contributed 10 of the team's 12 errors. A Bremerton, Wash., navy team was the victor.

Brazle Hurls 4-Hitter As Cards Defeat Cubs

St. Louis, April 22—(AP)—A four-hit pitching job by Angular Al Brazle and long-distance hitting spree by his mates gave the St. Louis Cardinals a 9-2 verdict over the Chicago Cubs today for their first victory of the season.

The crowd of 10,121 that turned out for the National league opener here was rewarded by a nine-hit offensive that included Stan Musial's first homer of the year, a three-run double by Marty Marion, and four other extra base blows.

Johnny Schmitz was the loser. Frank Gustine got a homer for the Cubs.

White Sox Take Home Opener From Brownies

Chicago, April 22—(AP)—The Chicago White Sox fashioned a four-run fourth inning, including Gus Zernial's homer, for a 5-2 home opener win over the St. Louis Browns today before 9,568 fans today.

Although Marino Pieretti had to leave the game at the outset of the eighth inning, he was credited with the victory. The tiny hurler's pitching effort tightened.

The Sox touched starter Red Embree and relievers Tom Ferrick and Joe Ostrowski for nine hits, including Cass Michaels' triple which produced the fifth Chicago tally in the eighth inning.

Zernial led off the Sox fourth with a hefty homer into the left field upper stands. The Sox then battled nearly around with Dave Philley's two-run single doing the most damage.

Iowa Cuts Illini Winning Streak With 3-0 Contest

Iowa City, Ia., April 22—(AP)—Iowa took a 3-0 decision over Illinois here this afternoon to cut off the Illini string of three wins and one tie in conference baseball.

It was the Hawkeyes' conference opener, which saw them win despite being outth. Lefty Jack Bruner, pitching for Iowa, walked 10 men, but none of the charity strolls produced runs for the Illini.

All three Iowa runs came in the fifth inning, with two of them handed the Hawks by Illini hurler Stan Feldman. Dale Erickson and Pinky Primrose walked. Erickson scored on Murland Moran's single, and Primrose came in on a wild pitch. John Sullivan walked to fill the bases, and Jack Dittmer's walk forced in the third run.

Bruner fanned eight to help atone for the 10 walks, while Feldman, tagged with the loss, was only able to whiff two during his seven innings.

The line score:
Iowa 000 000 0—0 4 2
Illinois 000 000 00x—3 1 0
Feldman, T. Hoffman (8) and Guala, W. Hoffman (8); Bruner and Browne.

The estimated number of machines in the U. S. selling liquids, in bottles or cups, is about 423,000.

ADVERTISE—IT PAYS

Local Moose Club Will Sponsor Baseball Team

Jacksonville will return to organized league baseball this year when the local Moose team will enter a team in the Illinois Valley Baseball League, according to an announcement made Friday afternoon by Glenn Williams, business manager of the Moose team.

The league is composed of teams in Beardstown, Havana, Smithfield, Astoria, Kibbourne, Table Grove and Jacksonville. There will be two teams in Havana, the Havana Red Sox and the Havana Chautauqua Parks.

Play On Sundays
According to Williams, games will be played on Sundays and holidays, and the season will open May 8th. Each team will play 21 games.

The league officials are drawing up the schedule which will be announced within a short time.

Henry Summers will manage the Moose team. Williams said that any ball player is eligible to play on the Moose team and can make application to Manager Summers.

Have New Uniforms
The local Moose Lodge will furnish new uniforms for the players.

The Moose will also sponsor a senior football team to be managed by Henry Smith, also a junior softball team which will be managed by Clinton Arenz.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, April 22—(AP)—A steady 3 to weak undertone prevailed today for hogs and cattle but vealers were weak to 50 cents lower. There were not enough lambs to make a market test but a firm tone was indicated.

Good and choice barrows and gilts sold from \$16.25 to \$18.50 for the most part although a load grading choice reached \$18.60, the top. Sows took \$16.50 and down to \$14 and below. Clearance was good.

Medium and good sters nd yerlings ranged from \$22 to \$25, and a sprinkling of common and medium heifers sold from \$19.50 to \$23. Beef cows grading common and medium brought \$16.75 to \$18.50. While sausage bulls showed a practical top of \$22.50 and vealers of \$25.

Ewes were considered weak, especially with weight.

Salable receipts included 5,000 hogs, 1,000 cattle, 300 calves, and 100 sheep.

The visiting nine cashed in on Drabant's wildness in the initial inning. The local chucker walked the second man he faced and hit the next man with a pitched ball. After forcing the next man to fly out to center field, he allowed the Concordia pitcher to hit safely, scoring one run.

Locals Score In 3rd Inning
The locals failed to score for two innings. Finally, in the third frame, the Brooks-coached nine made errors, wild pitches and two hits pay off to the tune of three runs. They held this lead until the first half of the sixth frame when the invading club, after building their tally to two in the fourth, slammed three hits off the offerings of the IC hurler and scored a brace of runs.

This sixth-inning spurge gave the Preachers a 4-3 lead, which the menacing bat of shortstop Gene Thomure soon destroyed.

Some of today's demand seemed to be based on the theory that the market yesterday was oversold. Traders were a little nervous, though, as they tried to determine what the market would do next.

Tending upward a good part of the day were National Steel, Chrysler, Montgomery Ward, Sears Roebuck, American Telephone, Electric Power & Light, Illinois Central, Standard Oil (NJ), and American Airlines.

Holding back most of the time were General Motors, Goodrich, Woolworth, Consolidated Edison and General Electric.

Corporate bonds leaned ahead. U. S. governments held steady in over-the-counter dealings.

East St. Louis Livestock
National Stockyards, Ill., April 22—(AP)—(USDA)—Hogs, 9500; market active, 25 to 50 higher than Thursday's average; bulk good and choice 180-240 lbs. 18.25-50; top 18.50 paid freely for weights under 230 lbs. 250-300 lbs. 17.25-18.00; around 325 lbs. 16.75; 140-170 lbs. 16.75-17.75; 100-130 lb. pigs 13.00-16.25; mostly 14.00 up; sows 400 lbs. own 14.25-16.50; few 16.75; over 400 lbs. 13.50-15.25; stags 11.50-13.50.

Cattle, 400; calves, 500; not enough steers to warrant mention; odd lots good heifers and mixed yearlings 23.00-24.50; these about steady; cows very dull with some bids and sales unevenly lower in cleanup trade; few common and medium beef cows 16.50-18.00; canners and cutters 13.00-16.00; light shells 12.00-50; bulls weak to 25 lower; medium and good 20.50-21.75; cutter and common 17.50-19.50; vealers 1.00 lower; good and choice 23.00-27.00; common and medium 19.00-22.00.

Sheep, 75; only few odds and ends on sale including nothing to warrant mention; prices quotable steady throughout; quote good ad choice woolled lambs 29.50-28.50; comparable grades springers 29.50-31.00; odd sales woolled slaughter ewes to 13.00; shorn ewes occasionally 12.00.

GRAIN FUTURES OPEN FIRM BUT DECLINE IN LATE DEALINGS

Chicago, April 22—(AP)—Grain futures started firm today but dropped in late dealings.

Commission house selling followed reports that the government had reduced its buying price for cash wheat at Kansas City, to 29 cents over the May futures delivery. Corn fell with wheat.

Earlier, wheat was up about a cent on reports that Mexico has bought about 1,250,000 bushels of wheat in the United States and Canada, and that Belgium bought a cargo of Canadian wheat. Other grains also were up early, with corn buying stimulated somewhat by much smaller bookings.

Receipts were: wheat 4 cars, corn 71, oats 3, and soybeans 19.

Wheat closed 1/2 to 1/4 lower than the previous finish, May \$2.23-1/4, corn was 1/4 off to 3/4 up, May \$1.94-1/4, oats were 1/4 lower to 1/4 higher, May \$1.29-1/4, soybeans were off 1/4 to 1/2, May \$2.25-1/4 to \$2.26, and lard was 5 cents lower to 3 cents higher, May \$11.47.

Officers Theorize Jerseyville Man Shot While Running For Life

Carrollton, Ill., April 22—(AP)—Howard Heininger, Jerseyville insurance man found slain in a ravine near here Thursday, apparently was shot down from behind while running for his life, Coroner William H. Wolfe said tonight.

The 33-year-old father of three was found shot to death in a secluded ravine beside a dirt side road about three miles south of Carrollton. Four .22 calibre bullets were in his body. He had been dead about 24 hours.

Westminster Church Organizes Renovation Move

At the congregational meeting of Westminster Presbyterian church held on Wednesday evening, a committee was appointed to study the subject of the rehabilitation and re-decorating of the church building, and report the result of their study to the congregation as soon as possible.

Reports were heard from the pastor, Dr. Arthur F. Ewert, Dr. L. E. Staff, Howard Stevenson and others on the work already done to improve the building. The present building was started in September, 1899, and dedicated on April 17, 1900. The consensus of opinion of the speakers was that the work of renovation would be a fitting celebration of the fiftieth anniversary of those events.

The committee appointed consisted of the trustees, presided over by Dr. Staff, and representatives from other organizations of the church. Miss Louise B. Holmes was appointed to represent the Woman's Missionary Society; Miss Ainslie Moore, the Ladies Aid Society; Mrs. Frank McCarthy, the Sunday School; and Harold McCarthy, the Young Married Couple's Club.

Local Citizens Advised To Stay Away From L. A.

The Jacksonville Chamber of Commerce was requested, in a letter from Harold W. Wright, general manager of the Los Angeles Chamber of Commerce, received Friday, to ask local citizens not to plan to move to Los Angeles, particularly if they are hoping to find employment.

"There has been a series of comparatively small but almost universal lay-offs in the Los Angeles metropolitan area," Mr. Wright stated. The incidental problem has been compounded by the continuous and extensive migration into the area, of people seeking work. This has been particularly true with respect to ex-servicemen. Presently it is estimated that there are in excess of 65,000 veterans unemployed in the metropolitan area, and this in spite of the fact that there are about as many people now employed as there were one year ago.

So, you can be of great assistance to the people of your community, and incidentally help us to solve our problem, if you will advise persons contemplating migrating to Los Angeles that our labor market is much too long and preference is being given to residents when job opportunities do occur."

Chapin Winner Of County Grade School Contest

The Chapin elementary school was awarded first place trophy at the second annual Morgan County Literary and Music Contest, held Friday at the Franklin high school. Twelve schools, winners of preliminary contests, were eligible to compete in the finals.

Many first, second and third place ribbons were presented to the contestants by Superintendent Harry Fitzhugh Assistant County Superintendent and A. H. Unland.

The second place school trophy was won by Murrayville and the third by Waverly. Meredosia and Franklin tied for 4th place.

The contest was directed by the chairman Harry Fitzhugh.

Other schools competing were Alexander, Woodson, Lynnville, Concord, South Jacksonville, Azenzville, and Nortonville.

Protest Against Princess Margaret And Pope Meeting

London, April 22—(P)—A protest against any meeting of Princess Margaret and Pope Pius XII was lodged by two Protestant organizations today.

They asked King George VI, temporary head of the church of England, to see that his 18-year-old daughter does not have an audience with the Roman Catholic pontiff on a tour of Italy she plans to start next week.

The "long, historic struggle against Papal influence in the reigning house" of England was cited.

Letters were sent to the King by the Protestant Truth society, an information agency representing most Protestant churches in Britain, and by the national union of Protestants in Northern Ireland.

They were based upon dispatches from Italy to the British Press saying Margaret might call on the Pope at some time during the month she plans to spend in Italy. There was no confirmation of such a plan in either London or Rome.

Board Of Health Works To Raise Standard Of Milk

The County Board of Health has been meeting with the milk producers of Jacksonville, hoping to raise the standard of the milk sold in the city and county.

Springfield is now selling grade "A" milk and it is desired that Jacksonville will soon be in the same class.

Grade "A" milk is the coming product and will soon be sold over the entire state. Help make Jacksonville an early entrant in the field for the safety it affords.

The County Board of Health has been working on this for sometime and the Jacksonville processors are favorable and much interested in having better milk. It is possible that many of the dairy farms will have to make changes in the dairy barn, in the milk house, and in the care of the equipment.
